Together is better

30th June 2017

Dear Parents/Carers,

It has been lovely to see so many of you in school over the past few weeks. We have all enjoyed the Mini-Marathon and both Sports days. The Summer Carnival on Saturday was also a wonderful event enjoyed by the whole community. **We would like to pass on our grateful thanks and congratulations to the YFSA Committee, all volunteers, advertisers and everyone who helped make it such a special day. Special thanks must go to Heritage Estate Agents and the Lions.**

The costumes were also amazing – a fantastic effort by everyone who took part. The grand fund raising total will be available very soon!

Thank you for your generosity in helping our Junior pupils raise £551.70 during their recent charity week. The money was split between Cancer Research UK and Dogs Friends UK that were the charities chosen by the school council.

Staff changes

We are very sorry to be losing Mrs Anna Young at the end of term. Mrs Young has only been with us on maternity cover since September, but has been a dedicated and committed teacher and she will be very much missed. Year 6 Enterprise

On **Monday, 3rd July**, Year 6 children have organised events for other Junior School pupils. As part of their Enterprise topic this term, Year 6 children have been creating a 'business' and promoting an activity to raise money towards "Yattonbury". As part of their 'business', children have designed an event, game or service to offer to the other children in Year 3,4 and 5. Examples include a football shootout, wet sponge throwing and crisp tasting! They have been doing market research, writing persuasive letters, designing adverts and doing presentations to promote their activity. **Activities range from 15p to 50p, so if you are able to give your children some loose change so that they can take part in these events, that would be appreciated.**

We would like to thank the YFSA for their kind loan of £100 towards the Year 6 Enterprise topic. We hope to raise

enough to pay back the loan and have a little profit left over!

On **Thursday, 6th July**, children have organised events for Year 6 parents and family. We would like to invite parents, friends and relatives of the Year 6 pupils to come and enjoy an afternoon of fun anytime between **1.30pm and 3.00pm**. Prepared to be wowed, entertained and potentially splashed with a stray sponge! There are 19 action packed activities on offer so bring plenty of loose change – all in aid of “Yattonbury”!

Year 6 Induction

Tuesday, 4th July is Induction Day for both Backwell & Churchill Schools. Please can all pupils going to Backwell in September be in school **by 8.20am**. The children will be taken by coach and collected at 3.00pm so that children will be back in Yatton by 3.30pm. They should wear their usual school uniform and either take a packed lunch or £3.50 to purchase a school meal. Pupils entitled to free school meals will receive a free meal. Those pupils not going to Backwell or Churchill, should come in school to register at the normal time. Please note that parents with children going to Churchill School should make their own transport arrangements on this day. Pupils will need to meet in the Churchill School hall by 8.30am and be collected by 3.10pm. Churchill School have also organised a drama Induction Day for Monday, 3rd July - you should have been sent details about this from Churchill this week.

School Games

It has been another busy month for School Games competitions which started with the Year 5/6 girl's cricket tournament. For many of the girls it was their first taste of Kwik Cricket and they played with exceptional team spirit to finish third in the county! The Year 6 boys faced a more competitive field at Wednesdays Kwik Cricket tournament, but

managed two victories out of three. The Year 5 boys tournament was postponed due to the weather and will take part on Wednesday, 3rd July. Finally congratulations to the Year 5/6 Quadkids team who performed excellently to finish 4th out of 16 schools. The Year 3/4 Quadkids team will compete on Friday, 30th June. See the link on the school website to the School Games blog reports.

Last week, Year 1 children went on a walk to Hangstones as part of their topic "If you go down into the woods". They looked at all the different types of deciduous and evergreen trees and collected a variety of leaves to compare. They learnt different tree names and looked at how leaves are formed. The children really enjoyed this topic and have learnt lots of new vocabulary.
