laptops, camera's to take
apart.

Using tools - screw drivers,
pliers.

Old or new? - Kitchen
gadgets and other
household items to touch
and explore

History Mystery -
artefact, picture from
the past

Fascination Station inspires creativity and questioning.

Adults encourage children to question what they see, predict, guess, estimate and hypothesise.

Question words and phrases:

How? What? Where? When? Why?

I think that... I wonder if.... Maybe it.... What happens if...
