Home-School Agreement

All schools are required to have a “Home-School” Agreement, our school’s Home-School Agreement has been drawn up in consultation with parents, staff and Governors. The Agreement takes account of the school’s aims and values (as set out in the school’s prospectus) and declares the responsibilities of the school, sets out the parents’ responsibilities and what the school expects of its pupils.

A Home-School Agreement is important, because we recognise that children achieve so much more when parents and the school work together. Your support and encouragement are vital if your child is to make the most of school.

The Governors invite you to sign the enclosed Agreement and return it to school with your completed Admission Form. This will indicate that you take note of the school’s responsibilities and expectations for your child. It will also acknowledge that you accept your role and responsibilities in this partnership.

The school will:

- ❖ Encourage your children to do their best at all times.
- ❖ Encourage your children to take care of others and their environment.
- ❖ Care for your children’s safety and happiness.
- ❖ Inform and consult you about your children’s education and behaviour.
- ❖ Welcome you into school and to school events.
- ❖ Listen to your child.
