

Phonics Wheel of Fortune

This game can be used by the whole class or as part of a small group intervention.

Preparing to Play

- Cut out and prepare the sound spinner wheel.
- Add the sound spinner wheel to the poster using a split pin.
- Cut out and prepare the word beginning and word ending cards.

Playing the Game

1. Ask a player to select a word beginning or word ending card and place it in the space on the poster.
2. Spin the corresponding wheel.
3. Create a word which contains both the consonant cluster on the wheel and the word beginning or word ending on the chosen card.
4. Encourage the players to cheer if a real word is made. If the word is a nonsense word, encourage the players to shake their heads.
5. Continue to spin the wheel a number of times to create different words.
6. Replace the word ending card as needed to continue to play.
