

# Home Learning Menu w/c 18.05.20

Add photos and videos to Tapestry.  
Check out the school website for new episodes of Good Morning Yatton!

## Phonics

Watch the teachers' phonics videos on Tapestry on Monday, Wednesday and Friday. This week we will be consolidating what we've learned in Phase 4 and making sure we know our digraphs, sight words and high frequency words really well.

**Phonics Challenge:** Have a go at 'Phonopoly' (phonics Monopoly!) PDFs attached.

See the 'extension' PDF if your child wants an additional challenge.

## UTW

If you have access to a garden or outside space, have a go at butterfly spotting. You can use the Garden Butterflies identification sheet to help you.

If you're keen to learn more, visit <https://butterfly-conservation.org/our-work/education/family-fun-from-home>

**Literacy:** Watch the first half of Maddie's Do You Know on CBeebies <https://www.bbc.co.uk/iplayer/episode/m0004xrx/sign/maddies-do-you-know-series-3-7-butterfly-and-wallpaper> and/or read The Very Hungry Caterpillar to learn about the life cycle of a butterfly.

Complete the cut and stick work sheet (PDF attached) and either label or write sentences about each picture. Or you could draw and label your own life cycle picture!

This video shows the transformation in all it's glory: <https://www.bbc.co.uk/teach/class-clips-video/how-caterpillars-change-into-butterflies-no-narration/zn4rkmn>

## EAD:

Do an observational drawing of a moth. PDFs attached of different types to copy. The teachers will share theirs on Tapestry.

## Music

Join in with Ali's music lessons on Tapestry.

**PE:** Check out Mr Taylor's PE session at the end of each episode of 'Good Morning Yatton'. Not enough for you? Try some Cosmic Kids yoga sessions on YouTube.

## Maths

This week we are learning about doubling. Here are some activities you could do throughout the week.

**Activity 1:** Watch Miss Antounas' story The Doubling Pot on Tapestry.

**Activity 2:** Make your own doubling pot like Mr and Mrs HakTak. What will you put inside?

**Activity 3:** Doubling ladybirds: use the ladybird template and some beads, counters or chocolate buttons to make some doubles. (PDF attached)

**Activity 4:** Solving Problems - Doubling (PDF attached)

See the 'extension' PDF if your child wants an additional challenge.
