

## Home Learning Menu w/c 04.05.20

If your child would like an additional maths or literacy challenge this week, try the challenges on this sheet!

### Literacy Challenge

Sequence the 'Jack and the Beanstalk' images and then write a sentence about each of the images. If you really want to challenge yourself, you could try and write the whole story!

Ask a grown-up to upload your writing to Tapestry for your teachers to see.

### Maths Challenge

Use these cards to make calculations with their answers,

Like this one:

In each calculation you must only use a card once, but of course you can re-use them in your next calculation if you want to.

Can you find a way to use all the cards in one calculation?

Can you find all the possible ways to use the cards?

**Discussion Point:** Is  $2 + 4 = 6$  the same as  $4 + 2 = 6$ ?  
What about  $6 = 2 + 4$ ?
