

Reception

Week Beginning: 29nd June

Sparkly activity

This week's English text is Hansel and Gretel. In the story, the characters come across a house made of sweets. Your 'sparkly challenge' this week is to make a sweet house, like in the story. You do not have to use sweets, it could be made out of junk materials, you could paint a picture, or even make a gingerbread house. Be as creative as you like. We would love to see your creations on Tapestry.

Warm regards

There are a lot of PE activities available that you can do depending on the

space or resources available. Here are some suggestions.

Art

Look at <https://kimart.com/works/faces/> for lots of colourful examples of Kimmy's amazing ceramic faces.

Also, watch this clip of Kimmy talking about what inspires him, the processes he uses to make a finished piece and how he became a ceramic artist.

There has been a lot in the news recently concerning the *Black Lives Matter* movement.

Therefore, we thought that our schools could help to celebrate cultural diversity by looking at the works of three different black artists over the next three weeks. The first of these is **KIMMY CANTRELL**.

Can you use recycled
